**FOR IMMEDIATE RELEASE**

A statement from Mayor Steve Noble:

It is with a heavy heart that I must announce the passing of Ray Hull, a valued employee and member of the City of Kingston family. Ray was a longtime employee of the City, beginning in 2005 and serving in the Parks and Recreation Department since 2007. I feel enormously blessed to have known Ray during that time and cannot express how fortunate we are to have had the privilege to work with someone with such integrity and work ethic. On behalf of the City of Kingston, I want to thank Ray for his time and service.

Our thoughts and prayers remain with Ray's family, especially his children, during this difficult time.
